PORT-AU-PRINT PROJECT UPDATE

- The doors of HBLM remain open through the on-going difficulties of civil unrest and gang violence. Staff is providing 24 / 7 health care to men, women, and children in dire need and serving ~500 monthly.

- Through the generosity of the Franciscan Sisters of Chicago, a new vehicle is providing reliable transportation for patients and staff.

- The portable x-ray machine, funded through 2023 Birdies for Charity, is in transit to HBLM and will enable on-site imaging making it easier and safer for patients to diagnose and receive treatment.

- Recent events – *From Broadway to the Met! Concert, Autumn's Palette, Craft Festival & Marketplace, Fall Appeal, and Winter White Party*– helped to raise awareness of the MATH mission in Haiti, as well as to generate funds to support our projects.
